NETCONOMY

As a leading innovation partner NETCONOMY is shaping the future of digital leadership for its clients. Based on the SAP Customer Experience Suite® we deliver seamless customer journeys across all channels. We are excited about the future of customer experience and extending the core business into the digital world.

Senior Java Developer (m/f/d)
Location: Graz, Vienna, Klagenfurt, Berlin, Dortmund or Zurich

YOUR JOB

> You specify and design optimal technical solutions and take care about documentation
> You work with established frameworks and platforms (e.g. SAP Commerce, Spring/Boot,…)
> You help with database modelling and optimization
> You apply modern container and cluster technologies (Docker and Kubernetes)
> You develop innovative and sustainable software solutions with agile methods (SCRUM)
> You contribute to continuous improvement of quality in the team and company
> You work closely together with the Product Owner and Scrum Master

YOUR SKILLS

> You have at least 3 years of experience in object-oriented software development with Java and JEE
> You have good knowledge about SAP Commerce and established frameworks (e.g. Spring/Boot)
> You finished your technical education with a focus on informatics (TU, FH, or similar degree)
> You have solid know-how in modern web technologies (e.g. HTML, CSS, JavaScript, REST, XML, JSON,…)
> Your database skills are good (e.g. modelling, SQL)
> You enjoy software development and you are always interested in new developments
> Your English skills are excellent (B2/C1), German skills are a benefit

OUR OFFER

> A dynamic company with positive team spirit
> Flexible working hours and agile working methods
> Benefits such as top equipment and continuous development
> Free coffee, fruit, breakfast and ice cream
> A creative working environment, thanks to an international and diverse team

Note for **Austria** in accordance with §9 Abs. 2 GlBG: The minimum monthly salary is € 3,094.00 gross / month when employed full-time as stated in the collective bargaining agreement. For **Germany** and **Switzerland** the minimum salary will be adjusted accordingly. The actual salary depends on experience, qualification and education.
